

Dear Musicians,

Please see this document for the audition materials for the Fall 2026 Band Area. We have an exciting year ahead of us and I cannot wait for things to get started in August. Let me know if you have any questions.

Auditions will take place August 16-18th and a Google Form will be sent out to sign up for a time later on in the summer. The auditions will take place in the band room (or a designated space) in McCorkle. Our first Wind Ensemble rehearsal will be on Wednesday, August 19, 5:05-7:05PM.

The audition will determine which ensemble you are placed in. It is important to prepare thoroughly. We have the Mercer University Wind Ensemble and the University Band as large ensembles in the band area.

Here are a few tips as you're preparing these excerpts. Please do the following:

- Practice slowly and work the tempo up incrementally with a metronome
- Take a private lesson on the excerpts, if necessary
- Do a consistent warm-up; be sure that you are in great shape
- Be sure to have prepared these excerpts prior to marching band camp - there will be significant demands on your time and chops prior to the start of the semester. Pace yourself
- Record yourself, listen to recordings
- Be sure your instrument is in good working order and you have great reeds, mallet options, etc.
- Study the rhythm - make sure you are learning things correctly from the beginning
- Play with great tone and expression

We have a lot of great music to make this year and I look forward to seeing you soon! Enjoy the rest of your summer!
