I. INTRODUCTION AND WELCOME FROM THE DEAN

Dear Music Students and Faculty:

Welcome to Mercer University! Mercer has developed a proud heritage and tradition of excellence in higher education for 193 years. This same intensity of purpose is found in Townsend School of Music where the nurturing of solid musicianship is cultivated within a rich liberal arts environment. This handbook has been designed as a supplement to the Mercer University Catalog to acquaint you with policies and guidelines of the School of Music. It serves as an aid to students in planning their activities in the School of Music. Concerns, questions, and challenges encountered during the process of your music study at Mercer should be addressed first to your music faculty advisor, secondly to the Director of Undergraduate Studies, and finally to the Dean of the Townsend School of Music.

II. MISSION STATEMENTS

Mercer University Mission Statement

Mercer University's mission is to teach, to learn, to create, to discover, to inspire, to empower and to serve.

Founded by Baptists in 1833, Mercer is an independent university that remains grounded in a tradition that embraces freedom of the mind and spirit, cherishes the equal worth of every individual, and commits to serving the needs of humankind. As a reflection of this heritage:

- We encourage our students to discover and develop fully their unique combination of gifts and talents to become leaders who make a positive difference in the world.
- We seek to inspire members of our community to live virtuous and meaningful lives by using their gifts and talents to serve the needs of humankind as an expression of their love for God and neighbor.
- We seek to enrich the mind and spirit by promoting and facilitating an open and rigorous search for truth and understanding, including an examination of the moral, religious and ethical questions of this and every age.
- We affirm and respect the dignity and sacred worth of every person and celebrate both our commonalities and our differences.

IV. POLICIES

A. Music Advisors

The music student will meet each term with an assigned music faculty advisor to discuss curriculum planning and other matters of concern to the student. It is important to realize that it is the student's responsibility to follow all guidelines in the Mercer University Handbook. The faculty advisor is provided to enhance the guidance given in the Handbook. Every entering first-year student intending to major in another area in addition to music must be assigned a faculty advisor from the other College. If no advisor is assigned, the student should immediately contact the Dean of that College to request a secondary academic advisor in the additional area of study.

B. Advice for Freshmen and Transfers

1. Students who plan to major in music must take Music Theory I (MAC 131 - 3 hours of credit) in the fall semester in conjunction with Musicianship I (MAC 111 - 1 hour of credit) and Class Piano I (MAC 113 - 1 hour of credit, except keyboard students see No. 2 below). These students must also register for one credit hour of applied music in their specialties (voice, wind instruments, piano, organ, etc.) and register for a large group ensemble (ENS 190, 191, 192, 194, 198).
2. Keyboard students (piano or organ majors) should register for MLP 143 (Organ/Harpsichord Skills) or MLP 141 (Sight-reading Skills I) instead of MAC 113 since the Class Piano I course is intended for students who have little or no experience with piano or organ. Thus, organ students should register for MLP 143, and piano students should register for MLP 141.
3. Given the heavy schedule of music courses, most music majors will take fewer courses in general education during their first year. General education courses are necessarily spread out over the four years to a greater extent than is the case for most students.
4. Transfer students who wish to be admitted to the music program must take a music theory placement examination. Transfer credits and advanced placement credit in music theory will be accepted contingent upon examination. This will ensure that the student is placed in the appropriate music theory course based on ability.
5. Students must audition before enrolling for applied music lessons. Students who have been heard by the music faculty prior to the beginning of the fall term need not audition again. All students (majors and non-majors) enrolling in applied lessons at the beginning of the new semester must contact the private teacher to schedule their applied lesson time.
6. Intended music majors are required to attend a minimum of 150 recitals and programs (130 B.M.E.) in order to graduate (See Recital Attendance Policy on page 11).
7. Intended music majors must participate in at least one major ensemble per semester during all four years at Mercer (see I.K. Scholarship Renewal).

8. Music scholarship students must fulfill all of the requirements as stated in the letter of scholarship notification that was signed.
9. Music students must have a responsibility first to the music program within the School of Music over all outside performance opportunities.
10. School of Music Convocation for all music students will occur in the Fall semester on the first Thursday of classes at 3:30 pm in the Neva Langley Fickling Hall in the McCorkle Music Building. Announcements will occur at that time.
11. Transfer students entering TSM with greater than 30 hours of collegiate credit (including dual enrollment students):
 - a. Students with two completed composition courses will be granted transfer credit for INT 101 (4 hours), receive general elective credits (3 hours) towards graduation, and have satisfied the MAC 130 - Intro to Research and Writing in Music requirement. Only CLAS double majors are required to enroll in INT 201.
 - b. Students with only one composition course will be granted credit based on their term of entry. Students entering in a summer or fall semester are required to enroll in INT 101 in their first fall semester, and upon completing INT 101 CLAS double majors must take INT 201. They will be credited as having completed the MAC 130-Intro to Research and Writing requirement and will be granted general elective credits (3 hours) towards graduation. Students entering in a spring semester are required to enroll that semester in MAC 130-Intro to Research and Writing in Music, and upon completing that course CLAS double majors must take INT 201. They will be given transfer credit for INT 101.
 - c. Students who qualify as sophomores and who have not completed any composition courses will be required to enroll in INT 101, MAC 130-Intro to Research and Writing in Music, and INT 201 if they are a CLAS double major.
 - d. Students who qualify as juniors or seniors and who have not completed any composition courses will be required to complete two courses with a MAC 130 - Intro to Research and Writing in Music and INT 201 if they are a CLAS double major.

C. Admission to Music Study/Acceptance to Music Major

1. An applied music audition and musicianship/sight-singing exam is required for incoming students who plan to major in music. The faculty will complete an Audition for Admission to School of Music form and, if appropriate, recommend acceptance into the first-year sequence of music courses. Transfer students must also be examined in the following areas: music theory, musicianship, keyboard, and lyric diction (if a voice major). The following is a list of audition requirements by area:

Voice: First-year intended voice majors must prepare two contrasting pieces, to be performed from memory. The pieces performed should be taken from the standard classical, traditional, sacred, or Broadway styles. All transfer students at the second-year level of vocal study pursuing the B.A. or B.M.E. degrees must prepare three pieces

from the standard classical repertoire: one in English, one in either: Spanish, French, German, Italian, or Latin, and one in a foreign language other than those languages listed above. All transfer students at the 3rd or 4th year level, and all potential voice performance (Bachelor of Music) transfer students (2nd – 4th year) must prepare five pieces from the standard classical repertoire which include English and two or three foreign languages. Students should bring the sheet music for their pieces with them; an accompanist will be provided. Students will be asked to sight-sing and take a music theory placement test. After auditioning, there will be a short interview with the voice faculty.

Winds: Students auditioning should prepare two contrasting pieces displaying both lyrical and technical proficiency. Repertoire for an audition may include studies/etudes, orchestral excerpts, sonatas or concerto literature. Students should prepare all major scales/arpeggios and expect to play a short sight-reading excerpt on the chosen instrument. Students will also be asked to sight-sing and take a music theory placement exam.

Strings: Students interested in pursuing a Performance degree through the Robert McDuffie Center for Strings should contact the Center for more information <https://mcduffie.mercer.edu/>.

Piano: Pianists will perform two contrasting pieces, preferably from memory for the audition. The following examples indicate the minimum difficulty:

- Bach 2 Part Inventions
- Haydn or Mozart Sonata Movement
- Chopin Nocturne, Waltz, or Polonaise (Op. 26 Nos. 1 and 2)
- Bartok Dances in Bulgarian Rhythm from Vol. 6 of Mikrokosmos
- Schumann Scenes from Childhood, Op. 15

Students should be able to play all major and minor scales/arpeggios and will be asked to sight-read a short excerpt. Questions about appropriate repertoire should be directed to any piano faculty member.

Organ: Applicants should prepare three pieces for the audition including a major work of Bach as well as selections from the romantic and modern/contemporary periods.

Guitar: Candidates for guitar study should be able to play all scales, studies corresponding in difficulty to those of Sor and Carcassi, and perform two contrasting solo works from memory. Students will be asked to sight-read and should have a knowledge of music theory.

Percussion: Percussionists should prepare a mallet solo (2 or 4 mallets) and a selection on each of the following instruments: timpani, snare drum, and/or multiple percussion. A drum set selection may be presented if applicable. Sight-reading will be requested on timpani, mallets and snare drum. Students will be asked to sight-sing and take a music theory placement exam.

2. Prior to juries in the Spring semester of the first year of study, each music student will be reviewed by the faculty using the **Acceptance to Music Major** form. The applied teacher, advisor, and music theory teacher will sign off on the form for formal acceptance into the various music degrees available in the School of Music. Notification of acceptance or denial will be sent to the student and advisor in May of each academic year.
3. A student who wishes to pursue a Bachelor of Music in Performance degree must perform a 15-minute program before the appropriate music faculty in the area of specialization no later than the spring semester jury in their first year of study and receive approval from that group. Students who are not accepted into the B.M. degree may audition once more at the end of their third semester of study if they so desire. Voice majors will follow the guidelines found in Section II.C.8. in preparing the repertoire specified for the second-semester “barrier” jury. Successful performance of this repertoire at the jury is required for the voice faculty to approve the student for acceptance to the music major/upper-level study.
4. An Instrumental Major who is pursuing a Bachelor of Arts or Bachelor of Music Education degree must complete a Barrier Exam at the second semester (usually spring) jury of the first year of study. Wind and Brass students will perform 10 minutes of repertoire and technical exercises. This performance will consist of at least one movement from a Sonata or Concerto with piano accompaniment. The technical exercises will include the 12 major scales/arpeggios from memory. Percussion students will be asked to perform three selections utilizing: snare drum, marimba, and either timpani or multi-percussion. Additionally, percussion students will be asked to play the 12 major scales and arpeggios.

D. Music Minor Study

1. **Music Minor.** The requirements for completion of a minor in music include the following twenty-two credits: Successful completion of an entrance audition and musicianship examination; completion of 22 credit hours in the following School of Music courses—MAC 131, 132, 111, 112 (8 hours); 4 hours of ensemble participation chosen from ENS 185, 190, 191, 192, 193, 194, 198 (entrance audition required for each ensemble); 6 hours selected from MAC 331, 332, 434, 435; 4 hours of applied study dependent upon faculty availability and approval by the Dean; applied music fee required each semester.
2. **Music Production Minor.** The requirements for completion of a music production minor include the following 19 credits: Successful completion of an entrance audition and musicianship examination; completion of the following School of Music courses – MAC 131 Music Theory I (3 hours); MAC 113 Class Piano I (1 hour); MAC 160 Understanding Music (3 hours); PRO 130 Introduction to Music Production (3 hours); PRO 262 Music Technology (3 hours); PRO 363 Music Technology II (3 hours); PRO 396 Music Production I (3 hours); and MAC 439 Music Business (3 hours). A lab fee may be required for each Music Production course.

3. **Sacred Music Minor.** The requirements for completing a sacred music minor include the following 20 credits: MAC 111, 113, 131, 333 and TMI 230. Additionally, students must choose 5 credits from among the following: MAC 280, 321, and TMI 331, 322, 335, 423, 424 or MAC 480 Special Topics in Sacred Music. Students must also complete 2 credits of applied music in an area of their choosing and 2 ensemble credits, dependent upon faculty availability and approval by the Dean; applied music fee required each semester. The Sacred Music Minor is designed to resource and enhance the effectiveness of non-music major undergraduates who intend to participate in musical worship leadership while pursuing a career in a different field (such as business, chemistry, computer science, engineering, health, etc.). Students will develop skills in leadership and critical thinking at the intersection of divinity, humanity, and music-making along with the practical skills of musical performance and worship leadership. This minor prepares students for a fulfilling life of music and worship in whatever career they choose.
4. Music minors are expected to practice one hour each day.

E. Certificates in Music

1. **Certificate in Music Composition.** The Certificate in Music Composition provides a framework for progressive studies in composition, counterpoint, and orchestration. In addition to the required 12 credits of coursework, students must participate in at least three Student Composers' Recitals, submit a Portfolio by October 1 of the senior year, and pass THE LIST, a drop-the-needle recognition test of contemporary repertoire, before the certificate can be awarded. Required coursework includes: MLP 271, 272, 373, 374, 475, 476; MAC 336, and 337.
2. **Certificate in Sacred Music.** The Certificate in Sacred Music provides additional depth for Music Majors who wish to undertake progressive studies in Sacred Music. Many career musicians find supplementary income performing in churches and houses of worship throughout their career, and this certificate enables students to do so with greater excellence and care for the relational needs of the worshipping community. The certificate requires 9 credits of coursework and a Final Project (MAC PRJ). TMI 230 is required, and students must choose 6 hours from among the following: TMI 322, 331, 423, 424, or MAC 480 Special Topic in Sacred Music.

F. Applied Music Lessons/Applied Music Examinations

1. Students who wish to take applied music lessons must audition before registering as a major, minor, or elective. A limited number of students can be accepted for elective applied lessons in music. Students must be taking other courses at Mercer in order to be eligible to take lessons. Exceptions must be cleared with the School of Music Dean. Auditions are usually administered by the Area Chair of the appropriate instrumental or vocal area throughout the academic year. Two contrasting musical selections may be offered for the audition.
2. Students may enroll for 30 minutes of instruction per week (if a non-major) for 1 hour of credit or 60 minutes of instruction per week for 1 hour of credit (if a music major).

Bachelor of Music applied music courses numbered 231-431, 232-432, 233-433, 234-434, and 235-435 receive 60 minutes of lesson time per week for 3 hours of credit. Applied music fees are listed under Financial Information in the Macon Campus Catalog.

3. Applied music examinations will be given at the end of each semester for all students enrolled in applied music lessons.
4. Students should complete Jury Examination forms prior to the jury examination and submit them to the examination committee before the jury begins. Each area (vocal, instrumental, keyboard) has different requirements regarding Jury Examination forms. All scales and repertoire studied that semester must be included on these forms.
5. Students should check the technical and repertoire guidelines for the given area of applied study in the handbook.
6. Two or more faculty in the appropriate applied area will write jury comment sheets that will become a part of the student's permanent file.
7. The jury examination number grade will be submitted to the appropriate applied studio teacher for consideration in calculating the final grade for that term. The applied studio teacher must assign a final term grade not greater or less than one letter grade difference from the jury examination grade. Evaluation of practical musical development is an admittedly complicated process involving the perception of a student's effort, progress, and innate ability.
8. Students are expected to attend all scheduled applied studio lessons. It is necessary to seek permission for absence from the professor 24 hours in advance in order to receive a make-up lesson. Unexpected absences due to personal illness require a medical excuse in order to receive a make-up lesson. In the event the professor is absent, they will make every attempt to contact the student and will schedule the necessary make-up lesson accordingly.
9. Applied music lessons will be taught on a weekly basis beginning with the first regular complete week of classes. An applied music professor may schedule applied music lessons during an incomplete week of class that may begin or end a school term.
10. Applied music students should give a copy of their class schedule to their applied music teacher(s) as soon as possible following class registration. Applied music professors will notify their students of lesson time either by campus mail, email, by phone, or by posting a studio lesson schedule on a bulletin board on or near the studio door. No make-up lessons will be given for those lessons missed by students who are not prompt in supplying their applied music professor(s) with a copy of their class schedules.

G. Solo Performance Opportunities

1. Recital Hour – Thursdays, 3:30 pm, Neva Langley Fickling Hall, McCorkle Music Building (alternate location: Newton Chapel).
 - a. Apply for a Recital Hour date at the beginning of each semester.

- b. Sign up forms are available on the bulletin board outside Dr. Braddock's studio (Room 118) and in the TSM Student Google Drive folder:
<https://drive.google.com/drive/folders/1XNE59jsUS7yQQ3-KPcqs58AqY35Gzvn7?usp=sharing>
2. Substantial School of Music non-required recitals may function as the applied jury for the semester that the recital is given with the permission of the applied professor and the Music Dean. Two music faculty members must attend the recital and assign a grade.

H. Recital Attendance Policy

1. Intended music majors are required to attend a minimum of 150 (B.M.E. 130) recitals in order to graduate. Students may count performances in which they participated as long as it is not a solo recital. An original program or an original ticket must be turned into the Office Assistant in the Music Office. If a concert runs out of programs, contact the Office Assistant the following day to obtain a program. Programs must be submitted in chronological order with the student's name included at the top of each program. Seniors must complete the Recital Attendance requirement by mid-April. Transfer student recital counts will be adjusted as follows: Sophomores-115; Juniors-75. Music Education majors are required to attend 130 recitals because of student teaching during their last semester.

There are certain music events where mandatory attendance is required. These events included Music Convocations, beginning of the semester Recital Hour meetings, Jubilee Artists Series concerts, Townsend Symposia lectures, and various other events. In order to not get behind on event attendance, it is suggested that each student attend the following minimum each year: Freshman year-40 events; Sophomore year-40 events; Junior year-35 events; Senior year-35 events.

I. Senior Recitals/Projects and Required Junior Recitals

1. Prerequisite: Piano Proficiency

Students who have not satisfied the keyboarding/piano competency requirement by the end of their junior year will not be allowed to process a Recital/Project Request/Proposal Form for their senior year. No senior recital/project will be scheduled in a given academic year unless this requirement is met. All students are required to enroll in applied lessons during the semester their recital is being presented.

2. Student Recital Rules

Student recitals may only be scheduled at the following times based on availability:

- Mondays at 6:00 pm
- Tuesdays at 5:00 pm (Center students get priority depending on Orchestra schedule)
- Thursdays at 3:30 pm on dates when TSM student Recital Hour is NOT scheduled.
- Friday afternoons at 3:30 pm and 5:00 pm
- No receptions

- No intermission
- Program information submitted to the Music Office at least a month before the recital (the Office Assistant will send a document that states the required information).
- “Adding” repertoire or any other element to a student degree recital as a “surprise” without the applied teacher’s prior knowledge and approval will result in a grade reduction to be determined by the applied teacher.
- Duration of senior recitals: 45-60 minutes. (*40 minutes of music = 50-minute recital; 50 minutes of music = 60-minute recital, etc.*) NOTE: B.M. senior recitals should be 55-60 minutes in length.
- Duration of required B.M. junior recitals is 30 minutes (25 minutes of music).
- Students will reimburse the School for the cost of paper for printing recital programs. The cost of paper is \$20.00 to print 100 sheets or \$10.00 to print 50 sheets of recital paper. Paper must be 24lb. Southworth Gray Parchment Paper.
- Students must submit an audio recording of their recital to the office, if required.

3. Proposals for all Degree Recitals and B.A. Senior Projects

All proposals for required degree recitals and B.A. senior projects (B.A. majors – see description of degree for senior project options) must be submitted to the Dean of the School of Music no later than the Friday of the 4th week of each semester.

- At the beginning of the fall semester, the Applied Area Chairs will appoint a Jury Committee of three faculty members for:
 - Recital** (required Senior or required B.M. Junior): 3 TSM faculty members – applied teacher and two others assigned by the area chair.
 - Bachelor of Arts Senior Project**: members from TSM, and/or other Mercer University disciplines and departments as appropriate.

4. Checklist – Preparing the Proposal:

- Student obtains Recital/Project Request/Proposal Form from Music Office.
- Content & Written Proposal of recital program/B.A. research project:**
 - Recital**: The senior recital should display the student’s thorough knowledge of several (at least 3) musical styles indigenous to the given performance area. Voice majors, moreover, must demonstrate in the senior recital proficiency in French, German, Italian, and English.
 - Repertoire**: The student types a list of proposed recital repertoire as assigned/ approved by the applied teacher to attach to the Recital/Project Request/Proposal Form indicating:
 - Complete title and composer of each piece
 - Length (minutes/seconds) of each piece
 - Total number of minutes of music proposed

c. Date/Time/Venue:

1. Student discusses potential performance dates with applied teacher and accompanist and asks the Office Assistant to confirm availability on music calendar in either Fickling Hall, Newton Chapel, or the Bell House, as approved by the applied teacher and Music Office.
 - **NOTE:** Avoid scheduling a recital date which conflicts with other activities sponsored by the School of Music, including but not limited to ensemble concerts and dress rehearsals, faculty recitals, or guest artist recitals.
2. Once one or two potential dates are found, the student ascertains the other committee members' availability, fills in the requested date on the form, and asks their other recital committee members to sign the form if they are available on that date and time. If they are not available, another date must be found and marked on the form as approved (signature) by the committee members.
3. Student gives completed Recital/Project Request/Proposal Form with Repertoire to the Office Assistant to reserve the date, time, and venue for the proposed recital *only after all committee members have given their approval of the date*.

d. B.A. Senior Project:

1. *Project Description/Abstract:* The student types a detailed description of proposed project as approved by the applied teacher or other TSM project supervisor/advisor to attach to the completed Recital/Project Request/Proposal Form.
2. *Date/Time/Venue:* If the project will culminate in a presentation of the research (45-60 minutes in duration), the student follows the procedure under "Recital" above to obtain a date and venue approved by all three committee members and confirmed as available by the Office Assistant then adds that date on the Request Form, accompanied by the signature of the committee members.

e. DEADLINE Friday of the 4th Week of Each Semester – for Recital or Project Request Proposals:

1. The student fills out the Recital/Project Request/Proposal Form, has it signed by the applied teacher/TSM project advisor, with committee indicating availability on the proposed date, attaches the repertoire or project description/abstract to the form, and submits these materials to the Dean no later than Friday of the 4th week of each semester.
2. The student ALSO places a copy of the proposal with Recital Repertoire list attached in the mailbox of the Coordinator of Accompanying.

3. After the recital has been approved, any subsequent change(s) involving a collaborative pianist must be approved by the Coordinator of Accompanying.

IMPORTANT: Failure to submit the completed proposal by the deadline will result in seniors failing to graduate in that academic year and juniors not being permitted to give the recital during that academic year.

5. Recital Hearing and Project Hearing/Defense

a. Recital Hearings:

1. Scheduling the **hearing date**: All recital hearings must be held no later than 2 weeks prior to the approved recital date.
2. Following the procedure described above under **Date/Time/Venue** for scheduling a recital performance date, the student schedules the hearing date with the approval of the Office Assistant, applied teacher, accompanist, and recital committee.
3. **Three copies of the following materials** must be brought to the hearing by the student: 1) *printed recital program*; 2) *any program notes to be included with the program*; and 3) *a list of individual repertoire timings and total minutes of music* to be presented.
4. Program/Program Notes: The student submits the program information and program notes, if applicable, to the Music Office. The typed, edited program (and program notes/translations) as approved by the applied teacher, must be presented at the hearing. The faculty committee will make any additional needed changes to the program and/or program notes and return to the student for final editing.
5. The student must incorporate the committee's suggested revisions and email the finalized, approved recital program and program notes to the Music Office NO LATER than 24 hours after the recital hearing (at least 13 days before the recital date).
6. The student will reimburse the Music Office for the cost of paper used for printing the programs.

b. Senior Projects (*Bachelor of Arts only*):

1. The Advisor and other committee members will work with the student to design a schedule of weekly supervision meetings, student research, and preparation as appropriate to the individual project.
2. The project plan will include, but is not limited to, a 45-60 minute formal presentation of the project in lieu of the Senior Recital, which is applied for in the formal Senior Project proposal as described above, and scheduled using the procedure described above under **Date/Time/Venue**.

3. The project plan includes a project defense or review date by the committee, AT LEAST 3 weeks prior to the presentation date. (See procedure for scheduling under **Date/Time/Venue** above.) The student will present a printed program, other written materials, and presentation/performance elements of the project that have been designed with committee approval, for their review and suggested revisions, and for final approval to move ahead with the presentation.
4. The program and any other written materials to be printed and copied in the Music Office must be emailed to the Music Office in their final, edited format, as approved by the committee chair/applied teacher NO LATER than 2 weeks before the presentation date.

The fee will cover up to four hours rehearsal in addition to the Recital and a one-hour Dress Rehearsal. Failure to pay the fee two weeks prior to the performance date will result in a hold being placed on the student's grades for the semester by the Dean of the School of Music.

L. Music Scholarships/Accompanying Responsibilities/Music Scholarship Renewal

1. Music Scholarship Responsibilities and Conditions for Music Majors
 - a. Be a declared music major, be registered in the proper courses for the major, and be a full-time student.
 - b. Be enrolled in a 60-minute lesson each semester, follow the advice of the teacher, and work to the best of the student's ability in applied music. The student further agrees that they will not perform outside the School (solo or groups) without seeking the advice and consent of their applied teacher.
 - c. Perform to the best of the student's ability (as judged by their professors) in all School academic subjects.
 - d. Maintain at least a 3.0 average GPA in the student's applied area and a 2.0 overall average GPA for B.M., B.M. Elective Studies, and B.A. majors. B.M.E. majors must maintain a 2.5 overall average.
 - e. Keyboard majors – Assist the School by accompanying as set forth in School policy.

- f. Voice majors – Participate in various Mercer University choral ensembles as designated by the Director of Choral Studies and adhere to the attendance policies and performances of these ensembles. The student will also assist the Director of Choral Studies with various administrative duties.
 - g. Instrumental majors – Rehearse and perform with the Mercer University Wind Ensemble, Jazz Ensemble, or other ensembles as assigned by the Director of Bands, and adhere to the attendance policies and performances of these ensembles. The student will also assist the Director of Bands with various organizational duties and recruitment projects as necessary.
 - h. Instrumental Music Education majors – Rehearse and perform with the Mercer University Wind Ensemble, Mercer University Marching Band, and Mercer Jazz Ensemble or other ensembles as assigned by the Director of Bands, and adhere to the attendance policies and performances of these ensembles. The student will also assist the Director of Bands with various organizational duties and recruitment projects as necessary.
2. Music Scholarship Responsibilities and Conditions for Non-Music Majors
- a. Register for 1-hour credit in APM 170 and work to the best of the student's ability in applied music.
 - b. Rehearse and perform with the Mercer University Wind Ensemble, Mercer University Jazz Ensemble, Mercer Singers, University Choir or other ensembles as assigned by the Director of Bands or Director of Choral Studies.
3. Accompanying Responsibilities for Students Receiving a Music Scholarship

As an integral part of their musical education and as a scholarship condition, all keyboard majors and advanced non-music majors taking keyboard lessons will be required to accompany applied music students in the vocal or instrumental areas. To be sure that this requirement is both fair and effective, guidelines for students and faculty are set forth as follows:

- a. Sophomores will be assigned one student, unless the musical scholarship given indicates the assignment of more students. Students without previous accompanying experience may or may not be assigned to a student performer. Those students not assigned will be given other work to help gain some experience in this area.
- b. Juniors and seniors will be assigned accompanying duties under the advisement of the Coordinator of Accompanying. Opportunities are available to play for certain ensembles. This responsibility will be considered as the equivalent of one student accompaniment and is encouraged as an important part of musical growth.
- c. Those students who are paid for accompanying through work-study must do such accompanying in addition to the above requirements.

- d. The Coordinator of Accompanying will be responsible for the coaching of assigned pieces. However, all keyboard faculty will be responsible for assisting their students in the preparation of accompaniments as needed.
- e. All instructors are expected to report promptly the names of their major and advanced non-majors to the Coordinator of Accompanying at the beginning of each semester. Non-keyboard applied teachers should also be prompt in providing to the Coordinator of Accompanying the names of their students who need accompaniments.

4. Guidelines for Music Scholarship Renewal

Music scholarships will be renewed only after formal consideration by the Music faculty. This consideration will be made early in the Spring semester and will be based on the student's work in the School of Music and progress during the year. The Dean will follow the recommendation of the faculty insofar as practicable but reserves the right to make all final decisions concerning renewal or non-renewal of a given scholarship independent of any recommendation. Moreover, renewal of all scholarships is subject to the availability of funds. Notification of scholarship renewal will take place following April 1.

Matters to be considered in this decision are as follows:

- a. Recommendation of the jury committee.
- b. Recommendation of applied music instructor.
- c. Recommendation of appropriate ensemble directors. Students are reminded that music scholarship recipients are expected to participate in designated ensembles.
- d. Recommendation from instructors of music courses in which the student is enrolled.
- e. The student's grade point average.
- f. For students who are recipients of functional scholarships such as band, accompanying, etc., the recommendation of the faculty member in charge of that activity will weigh heavily.

M. School of Music Recital Hour

Recital Hour will provide an opportunity for students to engage in performance activities in front of their peers and develop their public performance skills. Music majors are required to perform in Recital Hour at least once each semester, beginning their second semester of study. Minors are required to perform once per year. Failure to do so will negatively affect the semester grade in their applied area.

Recital Hour will be scheduled on Thursdays throughout each semester from 3:30 – 4:30 pm. Recital Hour will be held in the Neva Langley Fickling Recital Hall or in Newton Chapel

as needed. Music minors and non-majors who are studying privately are encouraged to attend.

The priority deadline to sign up for Recital Hour performance is Friday of week 4. Minors and non-majors are eligible to sign up beginning Monday of week 5.

N. School of Music Honors

1. Graduating Seniors may be invited by the School of Music faculty to attain School of Music Honors by completing the following requirements:
 - a. Maintain an overall 3.5 grade point average in music.
 - b. Present an honors project that is pursued and completed on a level significantly higher than would normally be required for a senior project. The project should be submitted to the School of Music Dean no later than Friday of the 4th week of each semester. In the case of the Bachelor of Music in Performance degree, the project must be a recital that is appropriate in repertoire level and performance standard for honors consideration.
2. Honors Day: During Spring semester, the School of Music faculty select undergraduate music majors to receive awards at the University Honors Day ceremony held in April. An individual student may only receive one award, with the exception of the Academic Excellence award winners, who may also receive a second award. The following guidelines are used for selection of honorees:
 - a. Academic Excellence in Music – graduating senior with the highest overall Grade Point Average (GPA), including transfer credits.
 - b. Excellence in Performance – graduating seniors whose performance skills in applied music are of a superior quality, both in technique and artistry. Outstanding students will be nominated by area faculty (instrumental, keyboard, strings, vocal), not to exceed 30% of the graduating class in each area.
 - c. General Excellence in Music – graduating seniors who have given outstanding service to the School of Music and who have assumed leadership roles within the School, while maintaining high standards in the applied and academic study of music. (students must have a minimum GPA of 3.5 in music courses).
3. Honors Recital: Each year, the School of Music faculty invite selected students to perform on the Honors Recital, given in Fickling Hall during Bear Day activities. The following guidelines are used in choosing performers for the recital:
 - a. Participants in the Honors Recital must be undergraduate music majors in their sophomore, junior, or senior year of study.
 - b. Selection is based on excellence in performance in the applied area, evaluated at the previous semester's juried examination as well as during the current semester. Students who exhibit outstanding progress in their applied areas as well as students who consistently perform at a superior level are eligible.

- c. Performers who are soloists only, not chamber groups.
- d. The faculty in each area (Vocal, Instrumental, Keyboard, and Strings) will reach a consensus and nominate one performer from each area to be approved by the full music faculty.
- e. Students may perform on the Honors Recital only once during their enrollment at TSM.

O. Non-Music Majors

1. The School of Music welcomes participation by non-music majors in coursework, lessons, ensembles, and recital attendance.
2. Audition schedules for ensembles are posted before registration and students are urged to audition. All qualified students are invited to participate in Music School activities.
3. The student may enroll in Understanding Music (MAC 160) or three hours of ensembles (ENS 180-198) to satisfy the Humanities and Fine Arts courses for the General Education Program. Any student wishing to register for theory must take the theory placement test before registration. Any applied study for credit will include a performance examination.
4. Some non-majors are awarded keyboard, instrumental, and vocal scholarships by audition. All non-major scholarship recipients are required to register for one credit hour of instruction in applied music – APM 170. Instrumentalists who have a non-major scholarship must register for ENS 184, 185, 188, or 191 as assigned by the Director of Bands. Vocalists who have a non-major scholarship must register for ENS 190, 193, 194, or 198 as assigned by the Director of Choral Studies. Keyboard non-major students assist the department by accompanying as set forth in departmental policy.

P. Ensemble Dress Rehearsal Policy

The evenings before ensemble concerts are reserved for ensemble dress rehearsals. Class events and student recitals are not to be scheduled in conflict with ensemble dress rehearsals.

Q. Practice Room Assignment

The following rules apply to practice room scheduling:

Each student will be allowed a maximum dedicated time of 4 hours per day:

- 2 hours in Prime Time (7:00 am – 5:00 pm)
- 2 hours during other times

No more than 2 consecutive hours may be reserved at any given time. Students leaving instrument(s) and equipment in a practice room longer than 10 minutes may have the instrument/equipment removed so another student can utilize the room.

Practice rooms with grand pianos are reserved for piano major/minor students and for chamber music.

If a student finds a scheduled room unoccupied, they are at liberty to use the room for the scheduled hour if the person of reservation arrives later than 10 minutes after the hour.

Following the initial sign-up period, if practice room hours remain unclaimed, additional hours may be claimed by students on a first-come, first-served basis.

- Students are urged to maintain their practice schedule conscientiously.
- Water in sealable containers **only** is allowed in practice rooms and **NEVER** placed on or near pianos.
- Practice rooms should be kept clean.
- Equipment, including chairs and stands, should not be removed from rooms.
- **Absolutely NO FOOD allowed.**

Routine maintenance problems with practice pianos are handled as a matter of course by the tuner-technician at the time of bi-annual tunings. However, substantial problems with the practice instruments or with the practice rooms themselves should be reported immediately to the Music Office.

R. Collegiate National Association for Music Educators (CNAfME)

Collegiate National Association for Music Educators is a national student organization sponsored by the National Association for Music Educators. NAfME was founded in 1907 and boasts a membership of more than 75,000 active, retired, and pre-service music teachers. NAfME serves millions of students nationwide through activities at all teaching levels, from preschool to graduate school. Chapter #899 at Mercer University was founded in September 1979. All music education majors and other music students are encouraged to participate in the chapter.

S. Mu Phi Epsilon

Mu Phi Epsilon is an International Professional Music Fraternity; its purposes are the recognition of scholarship, musicianship, and the promotion of friendship. Its goals are the advancement of music throughout the world, the promotion of musicianship along with scholarship, loyalty to one's alma mater, and the development of a true bond of friendship. The Fraternity is composed of collegiate chapters, alumni chapters, and allied members. Founded in 1903, Mu Phi has 136 collegiate chapters, 74 alumni chapters, and more than 75,000 members. The Delta Tau chapter of Mu Phi Epsilon at Mercer University was founded in April 2001. The Delta Tau chapter encourages all music majors and minors who have successfully completed one semester of music theory to participate in formal recruitment each Spring semester. All candidates for membership must have a 3.0 GPA in their music courses.

T. Grievance Policies and Procedures

1. Academic Grievances and Appeals

Policy: Students have the right to bring grievances against a faculty member or an administrator and to appeal decisions concerning academic matters. A “grievance” is typically a complaint relating to some allegedly improper action or behavior. An “appeal” is typically a request for review of a routine judgment or decision. Such matters may include, but are not limited to failure to abide by requirements described in the course syllabus, arbitrary awarding of grades, discrimination based on race, color, national origin, disability, veteran status, sex, sexual orientation, genetic information, age, or religion (except in limited circumstances where religious preference is both permitted by law and deemed appropriate as a matter of University policy).

Time Frame: For grievances and appeals of any kind, students are required to initiate them with the appropriate faculty member no later than 30 days from the completion of the term in which the course was offered. Grievances or appeals received after this period will not be honored.

Informal Resolution Procedure: Student grievance and appeal procedures encourage each student to handle complaints as close to the source as possible. If a student has a complaint against a faculty member, the student should first attempt to resolve the issue by an informal meeting with the faculty member involved. If this is not satisfactory, or if the student believes that he or she cannot discuss the complaint with the instructor, the student may follow the Formal Resolution Procedure.

Formal Resolution Procedure: The following protocol should be followed:

- a. The student should meet with the appropriate area chair or program director after submitting to this person a formal written account of the grievance or appeal. This narrative must be submitted no later than 30 days from the date on which the student was formally notified of the instructor’s decision.
- b. If the grievance or appeal is not satisfactorily resolved by the area chair or program director, the student should meet with the dean after submitting to the dean a formal written account. This narrative must be submitted no later than 30 days from the date on which the student was formally notified of the department chair’s or program director’s decision.
- c. If the grievance or appeal is not satisfactorily resolved by the dean, the student should meet with the Provost after submitting to the Provost a formal written account of the grievance or appeal. This narrative must be submitted no later than 30 days from the date on which the student was formally notified of the dean’s decision.

If the student has a grievance or appeal involving a dean, he or she should schedule an appointment with that dean in an attempt to resolve the matter. If the matter is not

resolved or if the student believes that he or she cannot discuss the issue with that dean, the student may address the grievance or appeal to the Provost. In all academic grievance and appeal procedures, the decision of the Provost is the final University decision.

Once the University grievance or appeal procedure has been exhausted, the student can seek a solution outside the University by filing a complaint with the Georgia Nonpublic Postsecondary Education Commission (GNPEC). The details for filing a complaint with the GNPEC are located on their website and require a specific form. The student can access <https://gnpec.georgia.gov/> and click on “File a Complaint” for this information.

The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and program accreditors can be contacted to file a complaint if a student believes accrediting standards were violated or grievance procedures were unfair and applied inappropriately and inconsistently. The student can access SACSCOC policy [Complaints against SACSCOC OR Its Accredited Institutions](#) on the SACSCOC website for more information. A listing of all University accreditors with contact information can be found in the Mercer University catalog. [Note: The procedures associated with the accrediting agencies are not intended to be used to involve the agency in disputes between individuals and member institutions, or cause the agency to interpose itself as a reviewing authority in individual matters of admission, grades, granting or transferability of credits, application of academic policies, fees or other financial matters, disciplinary matters or other contractual rights and obligations.]

2. Nonacademic Grievances

Policy: Mercer University recognizes the importance of providing an efficient procedure for a timely and fair resolution of a nonacademic grievance. Students are encouraged to use the process to resolve allegations concerning: (1) a University employee, (2) administrative policies or procedures, and/or (3) a University program, service, or activity.

Informal Resolution Procedure: Many grievances can get resolved via informal personal meetings, phone calls, or e-mails directly with the employee or office responsible for the grievance. Whenever possible, students are encouraged to exercise these avenues of communication first. However, should these avenues not rectify the grievance, or the student wishes to bypass the informal resolution process, then the formal grievance process below should be implemented.

Formal Resolution Procedure: When a student wishes to file a formal grievance that is nonacademic in nature and does not already have a stated appeal or grievance process as prescribed by law or the institution, he or she should follow this procedure:

- a. The student should submit the grievance in writing to the supervisor of the University employee responsible for the action or event that forms the basis of the grievance. This statement should contain a brief statement of the grievance and the remedies sought, and be clearly labeled “Formal Grievance” for tracking purposes.

A copy of the statement must also be presented to the Associate Vice President of Human Resources and the Vice President for Student Affairs. The grievance should be submitted to the employee's supervisor within 10 days of the action or event that forms the basis of the grievance.

- b. The supervisor will meet with the respondent to discuss the grievance within 10 days of receipt of the written grievance. The employee's supervisor will reply in writing to the student with the results of the discussion and plans for further action, if any, within 10 days of the meeting. A copy of this reply will be provided to the Associate Vice President of Human Resources and the Vice President for Student Affairs.
- c. If the student is not satisfied with the results from the supervisor and wants the grievance to be considered further, the student will have an opportunity for appeal as follows:
 - i. In the case of grievances concerning employees, policies, procedures, or programs of a nonacademic nature *within a specific school or college*, the student may appeal to the Dean with responsibility for the employee's unit and request a meeting in order to seek a resolution. This appeal must begin within 10 days after the employee's supervisor has completed consideration of the grievance and responded in writing to the student. A written reply from the Dean indicating the results of the meeting and including further action, if any, to be taken will be sent to the student within 10 days after consideration of the grievance. A copy of the appeal and the response from the Dean must be provided to the Associate Vice President of Human Resources and the Vice President for Student Affairs.

If the student is not satisfied with the decision of the Dean, the student may appeal in writing to the Provost with responsibility for the school or college and request a meeting. The appeal must begin within 10 days of the date the Dean has completed consideration of the grievance and responded in writing to the student. A written reply by the Provost indicating the results of the meeting and including further action, if any, to be taken will be sent to the student within 10 days after consideration of the grievance. The decision of the Provost with responsibility for the employee's unit will be the final University decision on the grievance. A copy of the appeal to the Provost and the Provost response will be copied to the Associate Vice President of Human Resources and the Vice President for Student Affairs.

Once the University grievance or appeal procedure has been exhausted, the student can seek a solution outside the University by filing a complaint with the Georgia Nonpublic Postsecondary Education Commission (GNPEC). The details for filing a complaint with the GNPEC are located on their website and require a specific form. The student can access <https://gnpec.georgia.gov/> and click on "File a Complaint" for this information.

The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and program accreditors can be contacted to file a complaint if a student believes accrediting standards were violated or grievance procedures were unfair and applied inappropriately and inconsistently. The student can access the SACSCOC policy on the SACSCOC website (<https://sacscoc.org/>) for more information: [Microsoft Word - ComplaintPolicy-Revisions 12.23fixed link.docx \(sacscoc.org\)](#). A listing of all University accreditors with contact information can be found in the Mercer University catalog. [Note: The procedures associated with the accrediting agencies are not intended to be used to involve the agency in disputes between individuals and member institutions, or cause the agency to interpose itself as a reviewing authority in individual matters of admission, grades, granting or transferability of credits, application of academic policies, fees or other financial matters, disciplinary matters or other contractual rights and obligations.]

- ii. In the case of grievances concerning employees, policies, procedures, or programs of a nonacademic nature outside of the administrative organization of a specific school or college, the student may appeal to the Vice President with responsibility for the employee's unit and request a meeting in order to seek a resolution. This appeal must begin within 10 days after the employee's supervisor has completed consideration of the grievance and responded in writing to the student. A written reply from the Vice President indicating the results of the meeting including further action, if any, to be taken will be sent to the student within 10 days after consideration of the grievance. The decision of the Vice President with responsibility for the employee's unit will be the final University decision on the grievance. A copy of the grievance and their response will be submitted to the Associate Vice President of Human Resources and the Vice President for Student Affairs.

Once the University grievance or appeal procedure has been exhausted, the student can seek a solution outside the University by filing a complaint with the Georgia Nonpublic Postsecondary Education Commission (GNPEC). between individuals and member institutions, or cause the agency to interpose itself as a reviewing authority in individual matters of admission, grades, granting or transferability of credits, application of academic policies, fees or other financial matters, disciplinary matters or other contractual rights and obligations.]

The Dean of Students or student affairs designee on each campus serves as a resource for students seeking assistance with grievance procedures.

V. CURRICULUM

A. Description of Degrees Offered

1. Bachelor of Music in Performance

The Bachelor of Music in Performance degree is uniquely designed to allow a student to develop highly specialized technical skills and knowledge for an instrument or voice. Excellence as performers is the School's goal for all students; those majoring in performance, however, are held to a higher standard of technical ability, artistry, and difficulty than those pursuing the other degrees offered in music.

The student takes approximately 65 percent of the required credits in the major area and in the supportive courses in music. The most distinctive feature of this degree is the double credit hours given for applied lessons from the sophomore year. This credit is assigned to compensate the student for the double amount of practice time spent to prepare intensely for the weekly applied lesson. The major areas of applied study include voice, piano, organ, harpsichord, orchestral instruments, wind instruments, percussion instruments, and guitar.

Individual performance skills are nurtured in weekly private lessons, weekly studio classes, weekly Recital Hour, monthly recitals, semester-end juried examinations, junior recitals, and senior recitals. Students are required to participate in at least one ensemble per semester, and most students perform in more than one. Large and small ensemble experiences are available in each applied music area. Other required courses specifically designed for this degree program include pedagogy of the instrument/voice and literature of the instrument/voice. Teaching in a discipline invariably leads to the synthesis of knowledge about the subject area as well as heightened clarity of communication of that knowledge.

Other required supportive courses in music for this degree consist of 39 credits in music theory, musicianship, keyboard skills, counterpoint, musicology, and conducting. An additional 43 music elective credit hours must be chosen from large ensembles, applied music, and area specified electives within the School of Music. The general studies requirements are met by taking 39 credits of the Common Core and 3-6 credits from the Distributional Program or the Great Books Program within the College of Liberal Arts and Sciences.

Additional requirements for this degree include attendance at 150 recitals during the undergraduate years of study, a 30-minute junior recital, and a 45- to 60-minute senior recital.

2. Bachelor of Music with Elective Studies in an Outside Field (B.M. Elective Studies)

This degree is uniquely designed to allow a student to develop highly specialized technical skills and knowledge for an instrument or voice. Excellence as performers is the School's goal for students majoring in this degree. They are held to a higher

standard of technical ability, artistry, and difficulty. In addition, students pursuing this degree will choose an area of elective study outside of music. Various options include: Business, English, Art, Communication, Psychology, and Theatre.

The student takes a minimum 60 required credits in the major area and supportive courses in music. The most distinctive feature of this degree is the double credit hours given for applied lessons from the sophomore year. This credit is assigned to compensate the student for the double amount of practice time spent to prepare intensely for the weekly applied lesson. The major areas of applied study include voice, piano, organ, harpsichord, orchestral instruments, wind instruments, percussion instruments, and guitar.

Individual performance skills are nurtured in weekly private lessons, weekly studio classes, weekly Recital Hour, monthly recitals, semester-end juried examinations, junior recitals, and senior recitals. Students are required to participate in at least one ensemble per semester, and most students perform in more than one. Large and small ensemble experiences are available in each applied music area. Other required courses specifically designed for this degree program include pedagogy of the instrument/voice and literature of the instrument/voice. Teaching in a discipline invariably leads to the synthesis of knowledge about the subject area as well as heightened clarity of communication of that knowledge.

An additional 18 elective credit hours must be chosen from a field outside of music. The general studies requirements are met by taking 39 credits of the Common Core from the Distributional Program or the Great Books Program within the College of Liberal Arts and Sciences.

Additional requirements for this degree include attendance at 150 recitals during the undergraduate years of study, a 30-minute junior recital, and a 45- to 60-minute senior recital.

3. Bachelor of Music Education

The Bachelor of Music Education degree provides undergraduate professional training for students intending careers in elementary and secondary school teaching of music. The unique aspect of this degree curriculum is the development of competencies in general, professional, and music educational concepts by taking required education courses in the School of Music and within the Tift College of Education.

Specific professional education courses comprise 18 percent of the curriculum. Offered within the Tift College of Education, these courses consist of Foundations of Education, Psychology and Development of the Adolescent Learner, and Fundamentals of Special Education. The final semester of student teaching is credited 12 hours. The student takes 56 percent of the required credits in the major area of music education, performance, and basic musicianship courses. Uniquely designed courses for this degree covering music teaching concepts include music method classes, music technique classes, and advanced conducting classes.

Competencies in areas of musicianship are covered in music academic and applied classes within the School of Music. Required supportive courses in music consist of sequences in music theory, musicianship, and musicology. Other supportive courses include counterpoint or orchestration and basic and advanced conducting.

Individual performance skills are nurtured in weekly private lessons, weekly studio classes, Recital Hour, semester-end juried examinations, and senior recitals. Students are required to participate in at least one ensemble per semester. Large and small ensemble experiences are available in each applied music area.

Additional requirements for this degree include attendance at 130 recitals during the undergraduate years of study and a senior recital. The senior recital usually consists of a 45- to 60-minute recital. The general studies requirements are met by taking 39 credits of the General Education Program. Instrumental Music Education majors are required to participate in the Mercer University Marching Band every semester the student is enrolled except during their semester of student teaching.

Students must complete all music coursework, pass or exempt the GACE for Program Admission Examination, and be admitted into Teacher Education before enrolling in Student Teaching. Students also must pass the GACE Content Examination (Parts I and II with a minimum score of 250 for each test) and successfully complete Student Teaching to meet the final requirements for state certification.

4. Bachelor of Music Production

The Bachelor of Music in Production degree is designed to prepare a student for a fulfilling career in music production. 4. All music degrees require a minimum of 15 hours in music courses numbered 300 or above.

5. Music majors in their senior year will undertake a major project or recital in keeping with the program of studies within the major. The project or recital will be planned in consultation with the student's applied music teacher or School advisor, as appropriate, and the plan will be submitted for School approval no later than Friday of the 4th week of each semester of the senior year.
6. Music majors are required to attend a minimum of 150 recitals in order to graduate. Programs of each event submitted should be handed in to the Music Office for proper filing.
7. All first-year student voice majors are required to enroll in MAC 094 Lab Choir in the spring semester of their first year of study; all first-year woodwind, brass, and percussion majors are required to enroll in MAC 093 Lab Band in the spring semester of their first year of study.
8. All students are required to enroll in applied music lessons during the semester of their senior recital. The applied music lessons must be taken for credit and not audited.

C. Guidelines for Vocal Study

The assignment of student to teacher is based on the student's preference whenever possible.

1. Elective Vocal Study

Those who wish to enroll in lessons must make an audition appointment with the Vocal Studies Chair who will assess the student's readiness for lessons and assign the student, if approved, to a voice faculty member.

To be accepted for elective applied voice study, a student must make an appointment to sing for the Vocal Studies Chair. The student must be able to:

- Sing a simple melody on pitch with correct rhythm and phrasing;
- Have knowledge of the rudiments of music—musical literacy (reading key signatures, pitches and rhythms), and good musical ear (matching pitch, singing in tune);
- Have approval of the Vocal Studies Chair.

2. Lesson Times and Credit Hours

Please see section **IV. Policies, F. Applied Music Lessons/Applied Music Examinations.**

3. Voice Studio Class

All voice students attend a weekly studio performance class as part of applied voice study. Students perform their repertoire in class in preparation for public recitals and end-of-term juried examinations. While students majoring in voice normally perform in class at least every other week, studio class performance requirements are determined

by the individual teacher. Voice majors are required to perform at least once each semester in Recital Hour (beginning second semester of study).

4. Practice Time

It is expected that the student will practice a minimum of 30 minutes to 1 hour each day, per credit hour. For example, a student taking voice for 1 credit hour is expected to practice technical exercises and solo repertoire for a minimum of 1 to 2 hours daily. This practice time does not include ensemble rehearsal time.

5. New Repertoire Requirement: Minimum amount per semester

For students enrolled for 1 credit hour (Electives and minors, 30 min. lessons):	Minimum of 2-3 songs prepared and performed from memory per semester
For students enrolled for 1 credit hour (B.A., B.M.E., 60 min. lessons):	Minimum of 5 songs prepared and performed from memory per semester
For students enrolled for 3 credit hours (B.M., 60 min lesson):	Minimum of 8 songs prepared and performed from memory per semester

- a. Styles of Vocal Repertoire: The instructor will assign pieces drawn primarily from the standard art song, opera, and oratorio repertoire, and MAY also assign pieces from standard sacred and/or musical theater repertoire as appropriate for the individual student. Specific repertoire requirements are determined by the individual teacher and will depend on the ability of the student, the potential for vocal progress, and the level of study.
- b. Foreign Language Repertoire Requirement: A significant portion of the repertoire should be performed in non-English languages. First-year voice majors normally learn repertoire in English, Italian, and possibly one more foreign language. By the third year of study the student will be performing in French, German, Italian, and English.
- c. Please Note: *Students performing recitals – either required degree recitals OR non-required recitals – are not excused from the new repertoire minimum requirement in the semester of the recital.*
- d. Voice Performance majors (those pursuing the B.M. in Performance or the B.M. in Performance with Elective Studies In An Outside Field) are similarly expected to perform at a higher level than those voice majors pursuing the B.A. and B.M.E. degrees.

6. Voice Jury Performance/Examination

At the end of the Fall and Spring terms, all students taking voice for credit must sing for a jury of the voice faculty. The student will choose the first song to be performed and the jury will select at least one more piece. Each voice faculty member will submit a grade and comments on this performance to the applied teacher. These grades are averaged by the applied teacher to produce the exam grade for the semester.

See section **V. Curriculum, G. Guidelines for Instrumental Study, 3. Juried Examinations** for general policies regarding jury performances and jury grades.

7. Evaluation of Progress in Vocal Study

It is the responsibility of the applied teacher to assign a grade for each term of voice study for credit. This grade should be within one letter (either way) of the average grade from the voice faculty for the jury performance. Each voice teacher will review the standards and grading procedures for his/her studio at the beginning of a student's term of study. Final grades in applied voice are based on:

- a. Preparation for lessons
- b. Progress in technique and artistic growth
- c. Appropriate literature memorized and performed
- d. Performance in studio class and student Recital Hour
- e. Quality of jury performance and other individual expectations of the teacher
- f. Written research on assigned repertoire and composers

See section **V. Curriculum, G. Guidelines for Instrumental Study, 3. Juried Examinations** for general policies regarding jury performances and jury grades.

8. Approval for Music Major

Permission to apply for approval as a voice major must be granted by the voice faculty at the voice jury in the student's second semester of study. The student must sing at least three pieces, in three languages (English plus two foreign languages), and must submit to the jury a comprehensive list of repertoires learned during vocal study at Mercer to date.

In addition to the three prepared pieces above, students will present at the 2nd semester jury an Italian aria from the 17th or 18th century which will be prepared **INDEPENDENTLY** by the student: the voice faculty committee will assign the piece no later than six weeks prior to the jury. The voice instructor will not assist in the preparation of the barrier piece. The student will sing the piece accurately from memory with accompaniment and with simple ornamentation as appropriate to the musical style period of the piece. The student will provide the jury committee with the following typed information for this barrier piece:

- a. A literal word-for-word translation of the text
- b. A poetic translation of the text
- c. A paragraph of researched program notes on the composer and piece
- d. Majors will also provide a transcription of the text pronunciation in IPA (International Phonetic Alphabet)

Prior to assigning the barrier piece, a member of the voice faculty will provide the student with guidelines and examples of simple ornamentation in the appropriate style. The student may rehearse the piece with an accompanist, but the accompanist will not correct mistakes or provide assistance in learning pitches, rhythms, pronunciation, or ornamentation. Students who do not pass all parts of the barrier may

prepare another barrier piece and have one more opportunity to apply for acceptance to the major, at the end-of-semester jury of the 3rd semester of voice study.

9. Vocal Performance Major

Audition for Performance Majors (B.M. and B.M. Elective Studies): Those students who wish to pursue the B.M. in Performance will audition at the second semester (usually spring) jury of the first year of study. They will sing 15 minutes of repertoire (usually all five of their required pieces). English and Italian plus either French or German are required languages; other languages are optional. Auditions for the B.M. must be completed by the end of the second semester of study. (Students who are not accepted into the B.M. or B.M. Elective Studies degree programs may audition once more at the end of their third semester of study if they so desire.)

- Mercer University Opera

Vocal Performance (B.M., B.M. Elective Studies) majors are expected to participate in Mercer University Opera productions and are therefore required to enroll in at least five semesters of ENS 193. (**NOTE:** Voice students in ALL degree programs are encouraged to participate in MU opera productions in roles and as ensemble members.)

10. Recital Appearances by Voice Students

Please see section **IV. Policies** for procedures regarding Recital Hour, Junior and Senior degree recitals, and non-required recitals.

- Repertoire

Senior recitals for voice majors in all degree programs must include repertoire from the Romantic and Contemporary (20th and 21st centuries) periods as well as repertoire from at least one of the following style periods: Medieval, Renaissance, Baroque, and Classical. The student must perform repertoire in English, Italian, French, and German on the senior recital. All repertoire on degree recitals for voice majors must be performed from memory.

Exception: Chamber music – If a student's degree recital includes a piece of chamber music of a high degree of difficulty, it may be performed with music rather than from memory, for the purpose of accuracy of ensemble performance.

PLEASE NOTE: Un-memorized chamber music does not fulfill the required jury exam repertoire requirements.

11. Language Requirement/Vocal Diction

All undergraduate students must complete the language requirements of the University by examination or coursework. Those students pursuing a vocal performance degree must choose French for completion of the University's language requirement.

12. Degree Recital Attire

Any student performing a required degree recital must have their concert attire for the recital approved by their applied voice teacher no later than 1 month before the recital date. Each voice teacher will give guidelines for appropriate concert attire in their course syllabus for applied voice lessons. NOTE: No costume changes are allowed during recitals. A small prop might be used if needed for a particular piece, but it must be approved in advance by the applied teacher and the rest of the recital committee. Without prior approval, any addition or change of appearance may cause lowering of the student's grade, to be determined by the applied instructor.

D. Guidelines for Piano Study

1. Piano Majors

- a. Piano majors have the opportunity to perform regularly in studio repertoire classes, Recital Hour, and School of Music recitals. It is expected that students will play in studio repertoire class every two weeks. Piano students also are expected to perform in Recital Hour each semester of enrollment in applied music lessons (beginning second semester of study). A senior project or recital is required of all piano majors and a junior recital is required of all piano performance majors (see IV. Policies, section E. Applied Music Examinations).
- b. Piano examinations (juries) will be taken at the end of each semester of study.
- c. All piano majors must perform their examinations and recitals by memory.
- d. All teaching repertoire will be selected by the teacher in consultation with the piano student. The jury examination each semester will include works of contrasting styles per instruction of the teacher.
- e. Suggested minimum technical requirements for piano majors include the following: The applied instructor will advise the appropriate technical instruction for each student.
 - i. First Year Students – All major and minor scales (octaves), arpeggios (triads in inversions), and appropriate etudes
 - ii. Sophomores – All major and minor scales (octaves, thirds, and double octaves), arpeggios (triads and dominant sevenths in inversions), and appropriate etudes
 - iii. Juniors – All major and minor scales (octaves, thirds, sixths, and double octaves), arpeggios (triads, dominant sevenths, and diminished sevenths in inversions), and appropriate etudes
 - iv. Seniors – Appropriate etudes
 - v. Piano majors are expected to practice two hours daily; B.M. Performance majors are expected to practice four hours daily.
 - vi. Piano majors will accompany at least one person each semester (see IV. Policies, E. Accompanying Responsibilities).

2. Secondary Piano

- a. All music majors (non-keyboard majors) must satisfy the keyboard proficiency requirements as indicated by their course of study (degree), either by examination or by completing the class piano sequence.
- b. Piano examinations (juries) will take place at the end of each semester of study.
- c. Secondary piano students are expected to practice 30 minutes each day.
- d. Secondary piano students (non-keyboard music majors and non-music majors) may use scores for jury examinations.
- e. Secondary piano students (non-keyboard music majors and non-music majors) are encouraged to play in classes and on recital if appropriate.

E. Guidelines for Organ and Harpsichord Study

1. Organ Majors

- a. Organ performance majors in the B.M. or B.M. Elective Studies program are expected to practice four hours daily.
- b. Organ majors in the B.A. or B.M.E. program should practice about two hours daily.
- c. Performing in a healthy manner free from excessive tension should be the goal for all music students. Organists are urged to consider two or three practice sessions per day rather than practicing in one large block of time. Taking breaks during practice sessions is also crucial to maintaining good health.
- d. All organ majors will perform juries at the end of each semester of study. The jury will include two or three pieces in contrasting styles and may include sight-reading of hymns and/or repertoire.
- e. Memorization for juries and all performances is not required, but is strongly encouraged. To that end, every student will be expected to memorize at least one piece per semester.
- f. All organ majors are required to attend a weekly studio class. Students should plan to perform in class at least every two or three weeks.
- g. Organ students will perform in Recital Hour each semester of enrollment in applied music lessons (beginning second semester of study).
- h. Attendance is required at all organ-related events sponsored by Mercer University.
- i. Organ students will discuss with their major teacher repertoire and technique work to be completed each semester.
- j. In addition to the literature, all students will study aspects of hymn playing, improvisation, and other service playing skills in their regular organ lessons.

2. Secondary Organ

- a. All students who have an interest are encouraged to study secondary organ.
- b. No previous experience with the organ is required. However, secondary organ students must have a basic foundation in piano/keyboard technique.
- c. Secondary organ students are required to use shoes specific to organ playing (most organists use either Capezio or Organ Master shoes).
- d. Regular practice is essential for progress, so students should plan on roughly 45 minutes of practice each day.
- e. Secondary students are required to attend the organ department studio class each week (arrangements can be made if the student has a conflict).

3. Secondary Harpsichord

- a. All students who are interested is strongly encouraged to pursue harpsichord study.
- b. No previous experience with the harpsichord is required. However, secondary harpsichord students must have a basic foundation in piano/keyboard technique.
- c. Regular practice is expected of all secondary harpsichord students: about 30 minutes per day.
- d. Occasional studio classes for the secondary harpsichord students may occur throughout the semester. Students may also have an opportunity to perform in the organ studio class.
- e. All students will begin instruction with *L'art de toucher le clavecin* (The Art of Playing the Harpsichord) by François Couperin – students should consult the harpsichord professor before ordering a copy of this work. Additional repertoire during the first two semesters will include works of J. S. Bach and varied literature from the 17th century. There may occasionally be works chosen from the modern and contemporary periods.
- f. Lessons will also include reading figured bass, aspects of style in continuo realization, and basic improvisation related to these skills.

F. Guidelines for String Study

- 1. Students enrolled for credit must perform a jury at the conclusion of each term for members of the faculty. The student will be advised in advance how many completed (typed or printed) jury examination forms to bring to the jury. Music majors whose emphasis is a stringed instrument are expected to successfully play an upper division jury at the end of their first year of study to determine if they have achieved sufficient mastery of technique on their instrument to complete the degree.

2. All majors are required to practice a minimum of four hours daily. It is suggested to practice in shorter segments instead of long blocks of time. Students must own their own metronome and preferably an electronic tuner for daily use in their practice sessions. Repertoire and scale requirements will be established by the applied teacher to correspond with the student's ability level. All students studying applied music will be required to participate in the Macon-Mercer Symphony Orchestra and are encouraged to join their fellow students to form and play chamber music for various groupings.
3. String students will perform in Recital Hour or Young Artist Concert each semester of enrollment in applied music lessons (beginning second semester of study).

G. Guidelines for Instrumental Study

1. Elective Instrumental Study

Instrumental instruction is offered to eligible music majors as well as non-majors in the areas of woodwinds, brass, and percussion.

Woodwind instruments include: flute, oboe, clarinet, bassoon, and saxophone.

Brass instruments include: trumpet, horn, trombone, euphonium, and tuba.

Percussion instruments include:

- Mallet keyboard percussion: (marimba, vibraphone, xylophone, glockenspiel),
- Concert percussion: (snare drum, bass drum crash cymbals, tambourine, etc.)
- Timpani
- Multiple percussion (to include all mentioned instruments PLUS found sounds and body percussion)
- Hand/World percussion (congas, bongos, djembe, doumbek, steel pan, etc.)
- Drum set

Those students planning to enroll in an applied music course for their instrument (applied lessons) must first prepare and pass an entrance audition which includes performance of prepared material: major scales and arpeggios, chromatic scale, and contrasting etudes or repertoire demonstrating both lyrical and technical elements. Prospective students will also be asked to demonstrate their skill at sight reading and then participate in a brief interview with music faculty. Additionally, prospective music majors will be asked to demonstrate their ability to vocalize in tune and with good rhythm. Auditions and interviews are closed to the public and may be attended only by the auditioning student and members of the music faculty or staff. For more information on how to prepare for an entrance audition, please contact the individual faculty member in your area. Students may sign up for auditions at this link: <https://music.mercer.edu/programs/auditions/>. Non-major scholarships are dependent upon budget and approval by the Dean of the School of Music.

2. Lesson Times and Credit Hours

Applied lesson times are assigned by the TSM, taking into consideration the class schedules of the student and faculty member, as well as the availability of accompanist (if applicable) and a room suitable for instruction. Students with special needs or those who might work inside or outside the university should contact their instructor at least one week prior to the beginning of classes. All efforts will be made to assign times that are congruent for all parties involved, however there is always the possibility that you will be assigned a time that conflicts with extracurricular interests. Instrumental courses must be taken for a grade and may not be audited.

B.A., B.M.E., and non-major students are required to register for 1-credit hour each semester while B.M. and B.M. B.M. Elective Studies students are required to register for 3-credit hours each semester. Students enrolled in APM 170 (applied lessons for non-majors) are expected to practice a minimum of thirty minutes daily to prepare for their weekly lesson. Music majors are expected to practice a *minimum* of 1 hour daily per registered credit hour.

3. Juried Examinations

All students enrolled in applied instruction will participate in juried examinations each semester. Juried examinations generally occur towards the end of the semester and consist of a brief performance of technical exercises (scales/arpeggios/etc.) followed by several etudes, orchestral excerpts, or selected works from the repertoire. Items suitable for performance at the jury will be chosen by the instructor. The jury panel will consist of instrumental music faculty. Juries are closed to the public. Each faculty member will assign grades and provide written comments. Grades are averaged with the instructor's grade for weekly lessons to provide a course grade. The applied studio teacher must assign a final term grade not greater or less than one letter grade difference from the jury examination grade. Instructor evaluation forms will be available in the Music Office for students to pick up the day following juries. A student who has been accepted into the program but did not pass their second jury will be recommended to the Dean to have their scholarship suspended.

4. Approval for Music Major

Permission to apply for approval as an instrumental major must be granted by the instrumental faculty at the end of the student's second semester of study. The student must perform the scales, etudes, and solo work with piano accompaniment as prescribed by their Applied Instructor.

In addition, intended B.M. and B.M. Elective Studies Majors must perform a 15-minute jury of two contrasting pieces with piano accompaniment, scales, and etudes at a level commiserate with advanced performance techniques. Students who do not pass all parts of the barrier may prepare another barrier piece and have one more opportunity to apply for acceptance to the major, after the 3rd semester of instrumental study. Intended B.M. majors will be required to change to the B.A. or B.M.E. degree program if they do not pass the barrier after the second attempt.

5. Bachelor of Music in Performance Audition

A student who wishes to pursue a B.M. in Performance or B.M. Elective Studies degree must perform a 15-minute program before the appropriate music faculty in the area of specialization no later than the second semester jury in their first year of study and receive the approval from that faculty panel.

Woodwind and brass area auditions will consist of two contrasting works with piano accompaniment, plus technical exercises as assigned by the instructor.

Percussion auditions for the B.M. or B.M. Elective Studies degree will consist of a four-mallet work for keyboard percussion (marimba, vibraphone, or xylophone), a snare drum or multiple percussion etude/solo, and a timpani etude/solo, plus technical exercises as assigned by the instructor and the commensurate level of sight reading on each instrument (excluding multiple percussion).

6. Required Performance on Recitals

All music majors are required to perform at least once each semester in student Recital Hour. Typical performances last from 5-10 minutes. Additionally, B.M. and B.M. B.M. Elective Studies majors are required to prepare and perform a junior recital lasting approximately 30-45 minutes in their junior year, and all music majors are required to perform a senior recital in their senior year. B.A. and B.M.E. senior recitals of 40 minutes of music in length; B.M. and B.M. Elective Studies senior recitals are 50 minutes of music in length. Senior recitals in the instrumental area are expected to display the student's thorough knowledge of several (2-3) musical styles indigenous to the given performance area.

7. Marching Band Requirement

B.M.E. instrumental majors are required to perform in the Mercer University Marching Band every year the student is in attendance except during their student teaching semester.

H. Guidelines for Music Theory Study

1. All music majors are expected to begin theory and musicianship study in their first year of enrollment. Therefore, MAC 111, 112, 131, 132 are normally scheduled for the first year of study and MAC 213, 214, 233 and 234 for the second year of study. TSM standard for sight-singing requires use of movable do solfege for all tonal exercises. It is expected that each of these courses will serve as a prerequisite for the sequential course.
2. Successful completion (a grade of C or higher) of MAC 131 is required for admission to MAC 132, and successful completion of MAC 132 is required for admission to MAC 233. Additionally, proficiency in music theory must be demonstrated by earning a minimum grade of C in all courses in the sequence in order to graduate.

I. Guidelines for Certificates

1. The *Certificate in Music Composition* provides a framework for progressive studies in composition, counterpoint, and orchestration. In addition to the required 12 credits of coursework, students must participate in at least three Student Composers' Recitals, submit a Portfolio by October 1 of the senior year, and pass THE LIST, a drop-the-needle recognition test of contemporary repertoire before the certificate can be awarded. Required coursework includes: MLP 271, 272, 373, 374, 475, 476 (6 credits), and MAC 336, and 337.
2. The *Certificate in Sacred Music* provides additional depth for Music Majors who wish to undertake progressive studies in Sacred Music. Many career musicians find supplementary income performing in churches and houses of worship throughout their career; this certificate enables students to do so with greater excellence and care for the relational needs of the worshipping community. The certificate requires 9 credits of coursework and a Final Project (MAC PRJ). TMI 230 is required, and students must choose 6 hours from among the following: MAC 280, TMI 331, 322, 335, 423, 424, or MAC 480 Special Topic in Sacred Music.

J. Guidelines for Musicology Study

1. All music majors will be required to take certain courses in the history of music. The exact nature of this requirement is determined by the student's degree program, with most students taking a four-course sequence consisting of the following:

MAC 331: Musicology I
MAC 332: Musicology II
MAC 333: Music Cultures
MAC 434: Seminar in Musicology I: American Music
or
MAC 435: Seminar in Musicology II: 20th and 21st Century

Regular attendance is essential for two reasons:

- Examinations and quizzes will deal primarily with the lecture material. Anything over three absences during a semester will be considered excessive. Any student with five or more absences will not receive credit for the course.
- The courses have two objectives: first, to provide a strong and durable factual grounding in the evolution of musical style; and second, to provide experiences that contribute to the student's formation as a musician.

Experiences embodied in the class sessions are carefully designed with these objectives in mind, and no amount of outside reading can replace them. Assigned collateral reading is intended to broaden or add perspective to what is presented in class.

- a. A major component to music study is listening. The student will be provided with a listening list at the beginning of the semester, with adjustments made as the term progresses.
- b. Pieces and styles under consideration at a particular time become prime material for quizzes, which may be announced or unannounced. Thus, it is vital that the student plan to use the library listening center sufficiently to remain current in this aspect of the course. In addition to the regular class sessions, students will be required to attend listening sessions in which larger works are presented in their entirety. There are usually four such sessions per semester.

Musicology courses are upper division courses. In those courses, therefore:

- It is assumed that the student will be conversant in basic concepts of music theory, especially diatonic harmony, chromatic harmony, counterpoint, and form.
- It is assumed that the student will write in a style and at a level consistent with university work. Problems in such mechanical areas as spelling, punctuation, and essay construction will result in grades being lowered.

The student is reminded that the grade of C is recognized as indicative of average performance at the university level. With this standard in mind, students will be evaluated on their command of the course material and the quality of their work.

K. Guidelines for Music Education Study

All students interested in meeting certification requirements for the State of Georgia are encouraged to contact the Music Education Coordinator to schedule an appointment with the Chair of the Macon Teacher Education Program to discuss requirements for certification in Music: P-12. Please review and follow the outlined criteria:

CRITERIA AND PROCEDURES FOR ADMISSION TO THE TEACHER EDUCATION PROGRAM

ADMISSION TO TEACHER EDUCATION

Students who wish to begin a teacher education program with the intent to seek a degree and/or initial certification may register for any non-restricted education course. Non-restricted education courses include all 200 level courses and EDUC 356, 360, and 378/379. However, all students must formally apply for full admission status in the Tift College of Education's Teacher Education Program (i.e., admission to teacher candidacy) after completing their first year of classes and no later than spring of their sophomore year. Admission to the University does not constitute admission to teacher candidacy. Applications for teacher candidacy are available online.

Because of the sequencing of courses and because of prerequisite courses for admission to teacher candidacy, students should declare their specific major or certification intent in the Tift College of Education in the first semester of enrollment. A copy of the Teacher Education Handbook (Tift College of Education web site) should also be accessed in the first semester of enrollment so that prospective teacher candidates can become aware of teacher education requirements, policies, and procedures.

Admission to Teacher Candidacy

To be fully admitted to teacher candidacy, a student must:

1. Have a cumulative undergraduate GPA of 2.5
2. Have taken and earned no grade below a "C" in INT 101 and MAC 130.

5. Have successfully completed all education courses and all content courses required for certification prior to recommendation for student teaching. Further, in order to be recommended for student teaching, a student may have no more than eight hours of general education coursework to be completed in the term following student teaching.
6. All music education majors are required to establish, through the Tift College of Education, an Anthology account and enter assignments from specified courses. These courses will begin in the student’s sophomore year and run through the completion of student teaching.
7. Music Education majors will be required to choose from two specializations: (1) vocal/general music specialization or (2) instrumental specialization, by the end of their sophomore year of study. Once a declaration is selected, the student will not be permitted to change declarations prior to graduation.

L. Ensembles

All intended music majors must participate in at least one ensemble per semester during all four years at Mercer. Those students who receive music scholarships will perform in one or more ensembles in their performance areas as designated by the Director of Choral Studies, the Director of Bands, or the Dean of the School of Music. In order to encourage individual development in academic study and in solo performance, the following limitations are placed on the number of ensembles in which a student may participate per semester.

Voice majors may perform in no more than two choral ensembles per semester. Those voice majors who participate in opera or musical theater productions should elect to perform in only one ensemble during the semester of the production.

Keyboard majors may perform in no more than two ensembles per semester. Those keyboard majors accompanying two or more soloists should elect to perform in only one ensemble.

Instrumental majors (winds, percussion, strings) may perform in no more than three ensembles per semester. Exceptions may be made to the limitations above with the permission of the student's applied teacher in consultation with the appropriate ensemble director.

1. **Choral Ensembles: Mercer Singers, Women's Chamber Choir, University Choir, Vocal Chamber Ensemble.** *Audition required*

Mercer Singers – This is Mercer's premiere vocal touring ensemble. Membership is open to any student, but an audition is required. This group performs on campus and gives several performances off campus each semester. The Singers will tour during the spring break.

Women's Chamber Choir – This vocal chamber ensemble performs a wide variety of choral music: madrigals, motets, and music theatre selections. In addition, the group participates in departmental and off-campus performances.

Mercer University Choir – This ensemble brings together the Mercer community by uniting the voices of various members of the Mercer campus. This large choral organization will perform literature of various levels and styles with instrumental accompaniment as well as a cappella repertoire.

General Requirements for Students Majoring in Voice and Students Receiving Voice Scholarship:

Voice students are required to perform in either Mercer University Choir or Mercer Singers during each semester in which they are enrolled in the University. Mercer Singers is an auditioned ensemble and the student must be accepted into this choir via the audition process. Students who wish to expand their choral experience and perform in both ensembles may do so with the approval of the director and their private voice instructor.

2. **Instrumental Ensembles:** Mercer University Wind Ensemble, Mercer University Band, Mercer Jazz Ensemble, Macon-Mercer Symphony Orchestra, Jazz Combo, Brass Ensemble, Percussion Ensemble, Bear Steel Drum Band, Woodwind Quintet, Flute Choir, Saxophone Quartet, Brass Band, Horn Quartet, Harp Ensemble, Contemporary Music Ensemble, Trombone Ensemble, and Mixed Ensemble. *Audition required.* Mercer University Marching Band and Pep Band. *No Audition required.*

Mercer University Wind Ensemble – This organization comprised of wind and percussion musicians is the select instrumental performance ensemble of Mercer. Due to its flexible instrumentation, the class performs a wide range of repertoire from the Renaissance to, and including, the twenty-first century. This group tours annually in the southeastern United States. Membership is open to any Mercer student, but an audition is required.

Mercer University Band – This ensemble brings together the Mercer community by uniting the instrumentalists of the Macon campus. This large wind band will perform literature of various levels and styles. Membership is open to all Mercer students, faculty, and staff, as well as the broader Macon community. A seating audition is required.

The Mercer University Marching Band and Pep Band are open to all students with no audition required. The Marching Band performs at all home football games every fall semester and the Pep Band plays for home men and women's basketball games from October through March. Interested students should contact the Director of Athletic Bands regarding membership.

Macon-Mercer Symphony Orchestra – The orchestra performs the standard repertoire from the past three centuries. Each semester culminates in two public concerts.

3. Chamber Music

The Woodwind, Brass, Percussion, Trombone, Harp, Vocal, Mixed, and String Ensembles and various combinations of instruments from within these ensembles are organized and rehearsed for performance each year. All of these ensembles receive 1-hour credit per semester.

String Chamber Ensemble is a course designed to explore and perform such traditional ensemble repertoire as piano trios, string trios, piano quartets, etc.

Flute Choir is a course designed to explore and perform flute music from the Renaissance to the present. Membership is open to any Mercer student, but an audition is required. Interested students should contact the director for additional information.

Harp Ensemble is a course designed to explore and perform harp music from the Renaissance to the present. Membership is open to any Mercer student, but an

audition is required. Interested students should contact the director for additional information.

Trombone Ensemble is a course designed to explore and perform trombone music to the present. Membership is open to any Mercer student, but an audition is required. Interested students should contact the director for additional information.

Vocal Chamber Ensemble is a course designed to explore and perform vocal music from antiquity to the present. Membership is open to any Mercer student, but an audition is required. Interested students should contact the director for additional information.

Mixed Chamber Ensemble is a course designed to explore and perform music across instrument specific programs. Membership is open to any Mercer student, but an audition is required. Interested students should contact the director for additional information.

4. **Mercer University Opera**

Mercer University Opera gives at least one fully staged and costumed production per year. The work performed may be a complete opera or a program of scenes from the standard operatic repertory. In addition to performances on campus for the public, students in MU Opera productions often perform for audiences of schoolchildren, Mercer alumni, and for community groups.

Participation

Students who wish to participate in MU Opera productions must have permission of the Director and should enroll in Opera Workshop (MUS 196.001 – 1-hour credit). Although the course is designed to help students integrate their acting and singing skills, participation is not limited to voice majors. Students enrolled will audition at the beginning of the semester and will be given roles appropriate to their abilities. Students assume responsibility for some technical aspects of the production in addition to performing (set construction, operation of lighting equipment, stagehands, etc.).

- a. The following guidelines are included in this handbook to facilitate better the expectations and outcomes of the various ensembles.
 - i. All members will be responsible for the preparation of the ensemble's literature which includes having the correct instrument, correct percussion equipment setup, a pencil to mark music, etc.
 - ii. Schedules will be given at the beginning of each semester but are subject to change. Advance notice of any schedule change will be given by the director as soon as possible. Students must inform the director of each ensemble with any conflicts in the first week of class.

- iii. Grading Policy: The student's grade will be based upon the following areas: Attendance - Intonation Check Form - Music Checkoff - Music Preparation - Performance(s).
- iv. All student musicians are expected to complete thorough preparation of all concert music through individual practice outside of rehearsal. Since concerts are usually only a few weeks apart, students will have to correct all note and rhythm problems within the first two weeks of rehearsal so the director can adequately rehearse without constant stopping for technical problems. By the end of the third week of preparation for each concert, all music must be checked off by the section leader or director. If a student needs additional help, contact should be made with the section leader, applied teacher, or director before that date. To improve intonation, all wind players will need to pair up with a like instrument (if possible) to complete an "Intonation Check Form". Once completed, the student will compare it with the previous semester to check progress in this area. The Intonation Check Form will be due the second week of the semester. The student is only required to turn in one form in the case of membership in several ensembles. This form will assist the performer in identifying which pitches are out of tune on their instrument and which direction they need to be adjusted.

Mercer University Ensemble Attendance Policy

In order for each student involved in an ensemble to successfully improve and gain knowledge from the course, attendance at all rehearsals is imperative since some literature cannot be rehearsed if a single performer is absent. Procedures used to monitor attendance contain the following guidelines:

- a. All students will receive schedules at the beginning of each semester to give sufficient advance notice of all rehearsals and performances. It is understood that absence of any kind for any reason is exceptional and serious.
- b. Should it become necessary for a student to be absent due to illness or other unusual circumstances such as a death in the family, they should fill out an excuse slip before the absence (or, in case of illness, immediately upon return) and give it to the student assistant in charge of attendance.
 - i. If the excuse is acceptable, the student assistant will be instructed by the professor to adjust their attendance record.
 - ii. If the excuse is unacceptable, the student assistant will return the excuse slip so marked to the student. A doctor's excuse will be required for absences due to illness involving more than one rehearsal.
- c. Each unexcused absence lowers the grade by one letter.
- d. In the event that a student wishes to contest an unaccepted excuse, they will make an appointment with the professor in charge of the ensemble. If the professor

accepts the excuse, they will then take the approved and initialed excuse slip to the student assistant for adjustment in the attendance record.

- e. Tardiness is considered exceptional and will require a written excuse and consultation with the professor in charge of the ensemble at the conclusion of the rehearsal for which the student was late.
- f. Failure to consult with the professor immediately following the rehearsal will result in an automatic unexcused tardiness.
- g. Two instances of unexcused tardiness will be considered the same as one unexcused absence.
